

# BUILTRITE™ HANDLERS & ATTACHMENTS

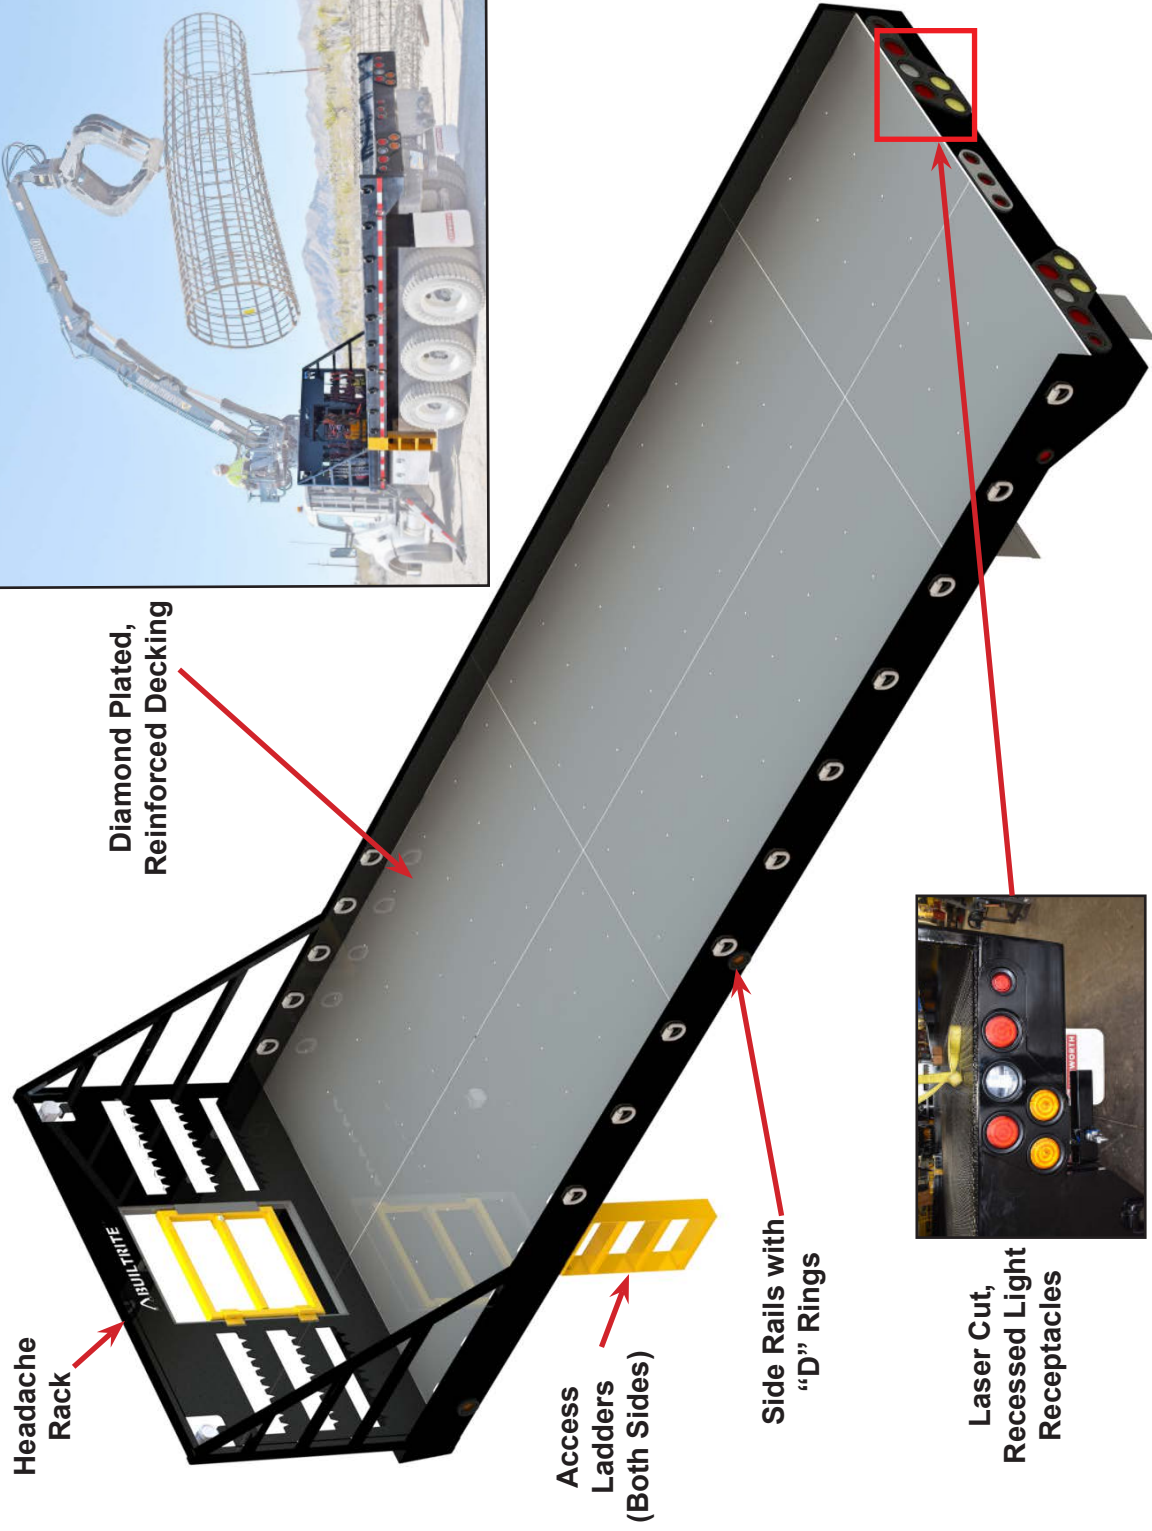

## Truck Beds

24' & 26' with Side Rails & "D" Rings

Builtrite™, Patented Truck Beds are designed for heavy duty, long-term use and versatility.

### Key features include:

- High tensile steel (100,000 yield strength) used throughout
- Patented, dual layered deck
- Reinforced ribbing to prevent buckling of top plate.
- Slip resistant, cross hatched top plating.
- Laser cut, recessed light housings with LED lights.
- Made in the U.S.A., at our Two Harbors, Minnesota facility.
- Designed to work with both the Builtrite Model 1380-TM and 2280-TM and other Truck Mounted Material Handlers
